

2023 Melbourne High School – Year 11 Parent Payment Arrangements

MELBOURNE HIGH SCHOOL
A STATE SECONDARY COLLEGE
ABN: 99 980 701 814

Dear Parent/Guardian,

Melbourne High School is looking forward to another great year of teaching and learning. Melbourne High School has a strong tradition of scholarship and the provision of an educational program that provides depth, breadth, and challenge. Our programs are designed to allow high-ability students to be the best version of themselves that they can be.

Our ethos is based on a philosophy that we are also more than just marks. The School's traditions are about developing students who are well-rounded persons, and not merely those who are well educated. Our programs cannot be delivered without your financial contributions. We welcome your support and wish to advise you of our voluntary financial contributions for 2023.

As per the Department of Education's policy, schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that's through voluntary financial contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a wider range of subjects and special curriculum experiences; enhanced digital learning opportunities; upgrading of classrooms; a vast extra-curricular program; faster WI-FI and internet.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,
